Just go Motorhome's Annual Easter Italian Roadtrip 2012

**Fancy a driving holiday from Tuscany to the UK
in a brand new motorhome? Prices start from
£350.00**

Just go, the leading [motorhome hire](#) company in the UK is offering its customers the chance to drive one of its brand new vehicles, one way from Tuscany, Italy to its depot near Luton, England.

Starting from £350 for two people, the price includes flights from Luton airport to Pisa airport, bus transfer to the depot in Italy (Poggibonsi), a full motorhome briefing, 10 days motorhome hire, European insurance for one driver (based on a full clean driving licence), European breakdown cover AND a Calais-Dover ferry crossing.

Nick Roach, director of Just go commented: 'This is a great opportunity to drive a brand new motorhome one way from Italy to the UK. We have offered this trip for the last few years and it has proved extremely successful. It is an excellent way of exploring Europe without having to do a circular route. In the past we have had customers teaming up to do the trip together and also those who want to be completely independent. There are four different models to choose from, ranging from 3 to 6 berth, so whatever the customer's requirements, we should have the right vehicle. We have however found these trips extremely popular so early booking is essential.'

The trip starts on either Saturday 31st March or Sunday 1st April 2012. Customers can take up to 10 days to return the vehicle to the depot in the UK. If customers would like to take more than one travelling companion, a small additional charge of £99* per person will be charged to cover the cost of flights and transfers. Additional days can be added at the normal tariff rate. Each of the motohomes will be kitted out with a bathroom (loo and shower) with hot and cold running water, a kitchen with fridge, hob, crockery, cutlery and cooking utensils, central heating, CD player and air conditioning.

Customers of Just go, David & Anne Hamilton commented on last year's trip: "From the moment we arrived at Pisa airport we were taken care of by the friendly, young and energetic team at Just go. On the bus to the factory to collect the motor home all the necessary paperwork was completed. Once we arrived we were given a comprehensive introduction to our vehicle, we loaded our luggage and we were off. It is such a pleasure to drive a brand new motorhome; it was fully equipped, all that was needed was food! This was provided 1km down the road by an excellent supermarket. Just go vehicles took over the car park and inside could be likened to a supermarket sweep!

"Our trip took us to Florence, Lake Garda, Innsbruck (with a splash of snow), Heidelberg, Venlo (Holland), up to the bulb fields and the wonderful flower festival at Keukenhof, along North Dutch coast and finally a one night stop in Brugges, before heading back to the ferry and the traffic jams of the UK! The vehicle performed perfectly, we were confident that we had Just go at the end of the phone if anything had gone wrong and a comprehensive European breakdown cover was provided as part of the package.

In all we covered 1700 miles, we loved every single minute, and (I think) were the first people to book for the 2012 trip. I cannot recommend this experience highly enough."
