Intro:

We at Just go know that our customers love sharing their holiday snaps with us and their friends. AND we know that a lot of these photos are really good! That's why we've decided to turn it into a little competition. We've decided to run a yearlong competition, with prizes after every season, in the hope of capturing a 'year in the life' of a Just go motorhome. So the most unusual photos and fantastic scenery wanted! Of course the motorhome really needs to be in the picture

What we are after:

A Just go motorhome.....

.....in the most unusual places (as long as it's legal!!)

.....with fabulous scenery around it

.....with its 'temporary foster family'

*.....with people just having a laugh in their Just go motorhome.....
you know the sort of thing!!*

The Prize:

An 8GB iPod Nano to be won every season,
in the choice of the winner's colour
