

Dartford Crossing Information

As of 30th November 2014, the way drivers pay for the Dartford Crossing will change. The new scheme is being introduced to help reduce congestion at the crossing.

Drivers will no longer pay at the barriers; instead, they will be able to pay in advance or before midnight the day after the crossing, using one of the methods listed below:

- Online at www.gov.uk/dart-charge
- Over the phone by calling: 0300 300 0120
- Via a payzone retail outlet
- By post (in advance only): Dart Charge Customer Services PO Box 842 Leeds LS1 9QF

The crossing charge for a motorhome (category B, Car) is **£2.50**.

The crossing will be free to use between 10pm and 6am.

If drivers fail to pay the crossing charge, a penalty charge will be automatically issued by Dartford Crossing, which includes a £35.00 admin fee.

Just go will then receive the penalty charge notice and as toll penalty charges must be paid by the registered owner of the vehicle, Just go will have to pay the full charge.

Please note, there is a £25.00 admin fee for any toll penalty notice that Just go has to pay, on top of the existing penalty.

[A £2.50 toll charge can therefore turn into a £62.50 penalty if not paid correctly!](#)
