

Park & Ride

Park and Ride is the quick and easy way to visit our lovely cities without the worry of where to park your Just go Motorhome. There may be a small charge for the bus or train but the parking is normally free.

There are CCTV security cameras in most Park & Rides as well as toilet facilities. They are usually a 15 to 20 minute ride on the bus or train into the city. Most have sheltered waiting areas.

You are not permitted to stay over night in the Park and Ride and they do usually get locked up at a certain times.

At the time of print these Park and Rides did not have any height restrictions, **but please do check.**

An online directory of all park and ride sites in the UK can be found at <http://www.parkandride.net>. If you require any other information the link below will open up an app on your tablet or phone that you can download for any other helpful information.
