

Coventry is a central city in England and is part of the historic county of Warwickshire. Home to medieval castles and ancient legends, historic market towns and popular shopping quarters. Learn the legend of Lady Godiva, tour the inspiring ruins of Coventry Cathedral or visit the birthplace of Shakespeare himself. Take a look at one of our many award-winning, family-friendly museums or visit one of the countless theatres throughout the area. However you decide to enjoy this region, you can be assured of rich medieval heritage, nestled alongside an eclectic community of creative and inspiring individuals. Just an hour from London and with great transport links to surrounding areas, Coventry and Warwickshire is rich in culture and heritage, with all the modern day attractions and comforts you could ask for. Here you will find advice on what to see and do, the finest places to eat and sleep and a travel and maps section– everything you need to make the most of your stay in Coventry and Warwickshire.

Places to visit

Coventry Cathedral

Opened in 1962, the cathedral became a major tourist attraction. Tourists and pilgrims come from all over the world for peace and reconciliation embodied by the dramatic contrast of the Ruins and the New Cathedral.

Coventry Cathedral, Priory St, Coventry. CV1 5FB
