

Scotland's capital city of Edinburgh is a bustling and beautiful place to visit. Packed with history and culture it is home to national institutions such as the National Museum of Scotland, the National Library of Scotland and the Scottish National Gallery. Dine on world class cuisine in one of its Michelin starred restaurants or enjoy a wee dram at any number of the Whisky shops on offer.

Visit in August to experience the Edinburgh Fringe Festival. From the high brow to the downright bizarre, there are performances to suit all ages and tastes.

Head down to the waterfront in Leith and pay a visit to Royal Yacht Britannia, one of Scotland's most popular visitor attractions. Take a stroll up Arthur's Seat for incredible views of the city. Visit the Pandas at Edinburgh Zoo. Whatever you choose to do, listen out for the One o'clock gun. Dating back to 1861, ships in the Forth used to set their clocks to the firing gun and to this day, it still surprises locals and tourists alike.
