

Lincoln is a Cathedral City and the county town of Lincolnshire. Lincolnshire sits on the East coast of England, to the north of Norfolk and the south of Yorkshire - nestled between the Humber and the Wash. Lincoln city centre is compact enough to walk around yet has so much to explore. Whether you want to go shopping, relax with a cup of tea or dine in style, you can do it in Lincoln. With unique attractions such as Lincoln Cathedral and Steep Hill, culture at the Drill Hall and the collection of waterside restaurants and bars, you will want to stay for longer to discover all of Lincoln for yourself. Lincoln has a rich aviation heritage stretching from the UK's early aviation history through to the present day. Explore this hidden side of Lincoln with the Aviation Trail. A revised Walk & Ride service has launched in Lincoln, nicknamed the Steep Hill Shuttle, helping visitors, shoppers and others in the city get around easier.
